

NAME: _____

1. The table gives the number of club members who participate in various sports. Display the data on a bar graph.

Tennis	85
Swimming	95
Aerobics	60
Volleyball	70
Track	55

[1] _____

NAME: _____

2.

Year	Number of Plays	Number of Calls
	Reviewed	Reversed
1986	374	38
1987	490	57
1988	537	53
1989	492	65

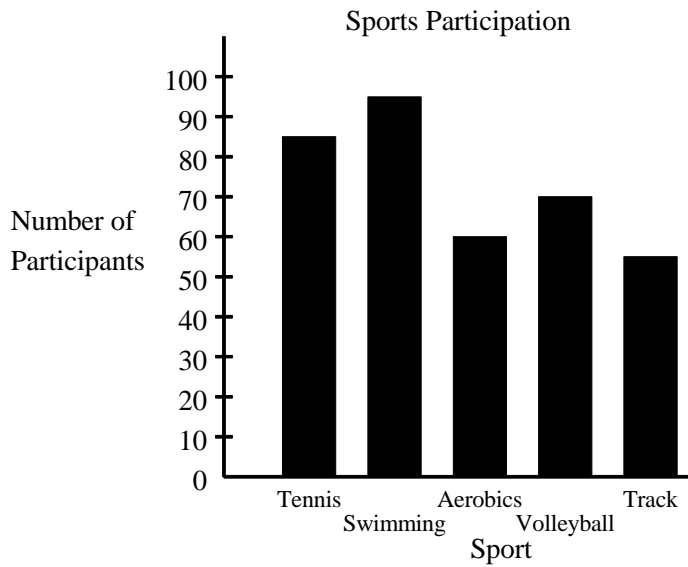

The table above shows the number of plays reviewed by NFL officials and the number of calls that were reversed due to the review from 1986 through 1989. Display the data in a stacked bar graph. Explain how you selected the scale displayed along the vertical axis.

[2] _____

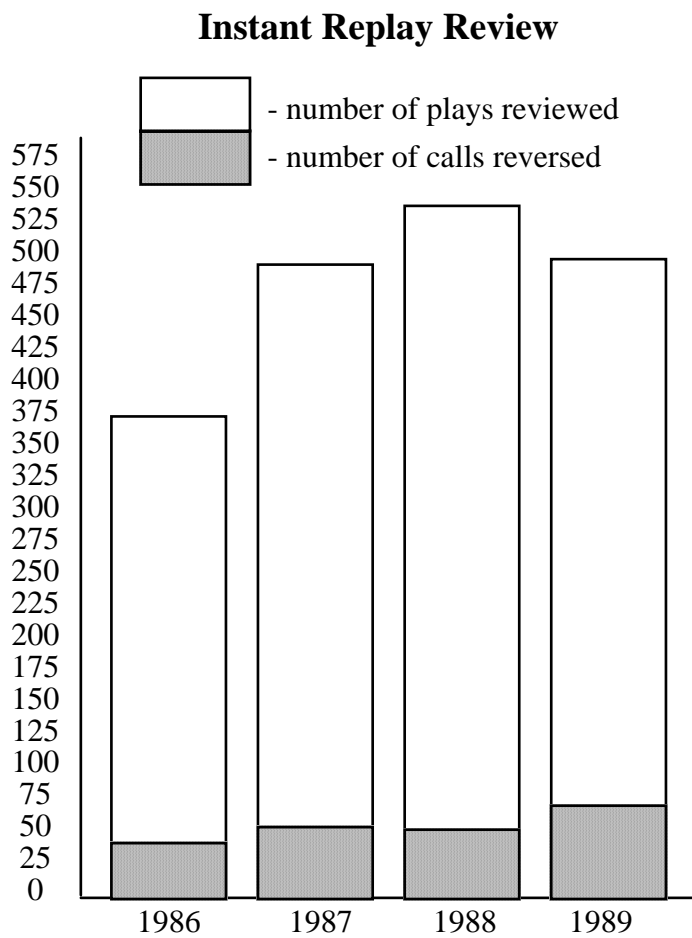

3. Construct a double bar graph to represent the following data.

Favorite Color	boys	girls
purple	1	5
green	2	3
pink	4	9
blue	6	10

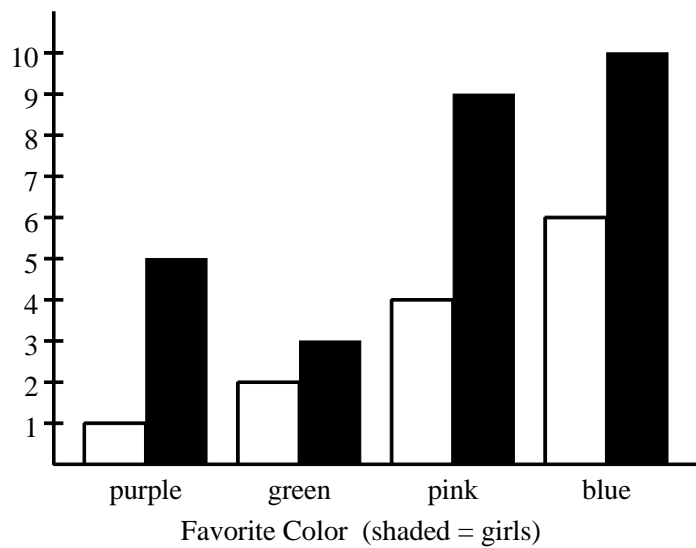

[3] _____

[1]

[2] Answers regarding the scale used will vary but should accommodate both sets of data.
